## **CLAIMING AND MARSHALLING**

There will be help desk/marshals available if swimmers require assistance. Check starters will ensure swimmers are in their correct lanes. Please ensure that swimmers and spectators keep an eye on the claim board to provide the best opportunity for all swimmers to be at their race on time.

## **STARTING INSTRUCTIONS**

1. Swimmers stand behind starting blocks, the announcer will announce the Event and Heat number.
2. On the long whistle from the referee, the swimmer shall step onto the starting platform and remain there. For Backstroke or Medley Relay events they shall immediately enter the water and a second long whistle shall bring them back to the starting position.
3. On the command "TAKE YOUR MARKS", the swimmer will immediately take up their starting positions with a least one foot at the front of the starting platform, or in the case of Backstroke or Medley Relay events, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer(s) shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back to start again.
6. Swimmers must finish in the lane in which they start and remain in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the pool by the side.
